REQUEST FOR DRAWING CHANGES

Dear Sir:

The Applicant respectfully requests correction of several typographical errors in the drawings. The requested changes do not introduce any new matter. The Applicant submits concurrently a set of formal drawings that reflect the requested changes.

In FIG. 1A, please change the numeral designator "19" to "18" on the right side of the figure (the numeral designator on the left side of the figure reads "18" and is correct. A marked-

up copy of FIG. 1A with the change noted in red accompanies this paper. Support for this change appears in the specification, for example, at page 19, lines 6-13, and in FIG. 1A itself (the figure shows the correct numeral designator for the element on the left side of the drawing).

In FIG. 1B, please change the numeral designator "18" to "19" on the right side of the figure. A marked-up copy of FIG. 1B with the change noted in red accompanies this paper. Support for this change appears in the specification, for example, at page 19, line 15 to page 20, line 2.

In FIG. 17, please add numeral designators 3208 and 3210. A marked-up copy of FIG. 17 with the change noted in red accompanies this paper. Support for this change appears in the specification, for example, at page 50, lines 18-23, and other figures and passages in the specification that reference induction loop circuits "3208" and "3210."

Respectfully submitted,
